

ENGLISH AS A SECOND LANGUAGE (ESL)

Adult Basic Education Center - Part Time Program

English as a second language (ESL) instruction at ECC is for all non-native English speakers from any language, group, or nationality. Instruction includes reading, writing, listening, and speaking and is conducted entirely in English. Classroom instruction and college support services provide immigrant students the opportunity to progress toward self-sufficiency and economic success. Courses are offered Monday-Thursday mornings and evenings on campus. Courses are offered at other area locations Monday-Thursday primarily in the evenings. Online options are also available. All classes are offered free of charge to eligible immigrant students. For class placement and registration, students may come to Building K. Students can also start the registration process by going to elgin.edu/adulteducation. Students will attend a pre-course workshop to prepare themselves for language learning success before they enroll in ESL classes. Students on visas need to contact the office to determine eligibility for the program as students with certain types of visas are not permitted to enroll in the free adult education program.

Beginning ESL Instruction

The purpose of these courses is to help English language learners to improve their reading, writing, speaking, and comprehension skills in English; improve their mathematics and basic technology skills; and acquire an understanding of the American system of government, individual freedom, and the responsibilities of citizenship so that these learners can be full participants in their community. Upon completion of the high beginning level, students may choose to exit the program or to transition to intermediate ESL instruction in order to work on career or academic readiness.

Intermediate ESL Instruction

The purpose of these classes is to equip students with the skills needed for career and academic readiness. Along with improving basic skills in reading, writing, speaking, listening, and mathematics, students will develop the academic and soft skills necessary to make the successful transition to college or to a career. Upon completion of the high intermediate levels, students may exit the program to pursue a high school equivalency certificate, enter a career/vocational training program, transition to advanced/academic ESL classes, or enter the workforce. An academic advisor is available to help students make the transition.

Advanced ESL Instruction

The purpose of these classes is to prepare students to enter college-level classes. Students who want to enroll in advanced ESL classes must first meet with an ESL staff member and take the appropriate placement tests. Students in these levels focus on the academic reading, writing, speaking, listening, and technological skills needed to make the transition to college-level work.

Upon completion of the advanced levels, students are ready to enroll in college degree programs. Students who are interested in transitioning to college level programming are encouraged to take the College Transitions for ESL Learners course. Students interested in this course must receive a recommendation from faculty or staff in order to enroll. Students in this course are required to co-enroll in a transferable credit college class.
