

ENROLLMENT PROCEDURES

ECC operates under the Open Door Admission Policy of the Illinois Community College Act. Once admitted to the college, students may enroll in any course as long as individual course prerequisites, placement procedures, and/or developmental admission requirements are met and space for effective instruction is available. Neither a high school diploma nor ACT or SAT scores are required for admission to the college. The college reserves the right to cancel courses which do not meet minimum enrollment standards or due to unforeseen circumstances.

Below are links to offices that will assist you in the enrollment process and a list of common topics or services each provides. You can also visit First Stop in Building A, A100, for assistance.
