

PARTNERS ON CAMPUS

Elgin Community College partners with universities to offer bachelor degree programs that can be completed on ECC's campus. ECC's Partners on Campus offer an affordable convenient path to earning a bachelor's degree close to home. With personalized support and access to university resources, students can thrive in a flexible learning environment. It's an ideal option for those seeking to further their education without long commutes. This collaboration ensure that students have access to high-quality education and a seamless transition from associate to bachelor's degree programs.

Columbia College of Missouri

Offers bachelor's degree completion options on ECC's campus and online, including Business, Criminal Justice, Human Services, and Nursing. To schedule an appointment with a representative from Columbia College of Missouri, please call 815-446-9021 or email elgin@ccis.edu.

Northern Illinois University

Offers a bachelor's degree completion option on ECC's campus in Elementary Education. To schedule an appointment with a representative from Northern Illinois University, please call 815-753-0446 or email admissions@niu.edu.
